- ❖ We believe that the Holy Bible is the inspired and infallible Word of God and constitutes His complete and final revelation to man.
- ❖ We believe the Bible, in its original autograph, is without error in whole and in part, including theological concepts as well as geographical and historical details.
- ❖ We believe in one God that has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit.
- ❖ We believe Jesus Christ was God come in human flesh being fully God and fully man, except without sin.
- ❖ We believe that all men are in violation of God's righteous requirements and His holy character both by nature and act, and are therefore under His wrath and just condemnation.
- ❖ We believe that the central purpose of the coming of Jesus Christ was to pay the penalty for man's sin through His substitutionary death on the cross, the successful accomplishment of which was attested to by His subsequent visible, bodily resurrection.
- ❖ We believe that salvation is by individual faith in Christ alone, not trusting in any person's works whatsoever, but through the substitutionary sacrifice and righteousness of Jesus alone. We believe that non-meritorious good works are the evidence of and the results of true saving faith.
- ❖ We believe that the institution of marriage between man and woman, as established in Genesis Chapter 2, was ordained by God Himself.
